

FOR IMMEDIATE RELEASE:

Prosoft Engineering Announces Data Rescue II and Data Backup 3 Have Been Awarded The Prestigious Consumers Digest Best Buy Award.

Pleasanton, CA – March 25, 2008 – Prosoft Engineering is pleased to announce that Data Rescue II and Data Backup 3 have been awarded the Consumers Digest Best Buy Award in the April 2008 issue of Consumers Digest. The Consumers Digest Best Buy rating is awarded to less than three percent of the products in a given category.

Data Rescue II is the best hard drive and file recovery software for the Mac, and works even when your hard drive fails to mount or boot. Data Rescue II is the most-awarded, most-used drive recovery software used by data recovery specialists, forensic recovery teams, IT groups, as well as home users worldwide.

Data Backup 3 is an easy to use backup program for the Mac that offers you just the right amount of power, flexibility and ease-of-use to help you backup your computer fast.

“This is a big honor to have Data Backup 3 be awarded for the second time (February, 2005) and now Data Rescue II to be recognized with such a highly-acclaimed award,” states Greg Brewer, CEO of Prosoft Engineering. “Every day we receive testimonials from our customers about how Data Rescue II has saved the day by recovering their valuable data.”

Availability

Data Rescue II and Data Backup 3 are available to purchase online at www.prosoftengineering.com as well as Apple Stores Worldwide. Free demo versions of Data Rescue II and Data Backup 3 are available at www.prosoftengineering.com.
