

NEWS RELEASE

Prosoft Engineering Announces Leopard Boot DVDs for Data Rescue II and Drive Genius 2.

Pleasanton, CA – June 3, 2008 – Prosoft Engineering, Inc., the developers of easy-to-use, award-winning utilities, today announced the immediate availability of Leopard Boot DVDs for both Drive Genius 2 and Data Rescue II.

“We are really excited that Apple has now released the Leopard Boot technology to third-party developers, which allows us to add booting support for all the latest Macs,” said President, Greg Brewer. “Prosoft Engineering is the first developer known to ship these new Leopard Boot DVDs”

Availability

Data Rescue II and Drive Genius 2 are available for purchase online at www.prosoftengineering.com and at Apple Stores.

Current owners of Data Rescue II and Drive Genius 2 qualify to receive these new Boot DVDs for free. Details on how to receive these DVDs at no cost to current owners may be found here:
