### Prosoft Engineering Announces Universal Binary Support For Data Rescue II

**Pleasanton, CA – April 11, 2006** – Prosoft Engineering, Inc., the developers of easy-to-use, award-winning utilities, announced that the latest version of Data Rescue II now supports Intel-based Macs.

Current owners of Data Rescue II are able to download the FREE application update from the website at: <http://www.prosofteng.com/products/downloadcenter.php>. A bootable CD download (\$5) or ship-to-service (\$10) can be purchased online as well.

"We're excited to provide this new version that is now compatible with the new Intel machines," says Gordon Bell, General Manager of Prosoft Engineering. "With this release, Data Rescue II is now the only data recovery software available to boot the new Intel-Based Macs at this time.

### Availability

Data Rescue II is available for purchase online at [www.prosofteng.com](http://www.prosofteng.com) and at Apple Stores, Fry's Electronics, ClubMac, MacMall, Other World Computing, MacConnection and Amazon.com
