Prosoft Engineering Announces Universal Binary Support For Picture Rescue

Pleasanton, CA – April 4, 2006 – Prosoft Engineering, Inc., the developers of easy-to-use, award-winning utilities, announced that the latest version of Picture Rescue now supports Intel-based Macs.

Current owners of Picture Rescue are able to download the FREE update from the website at:
<http://www.prosofteng.com/products/downloadcenter.php>.

"Picture Rescue is the easiest and most effective way for Mac users to get pictures back from corrupt, deleted or formatted digital camera media, and we're excited to now support the new Intel-based Macs with this new release" says Gordon Bell, General Manager of Prosoft Engineering

Availability

Picture Rescue is available for purchase online at www.prosofteng.com and at Fry's Electronics, ClubMac, MacMall, Other World Computing, MacConnection and Amazon.com
